

Israel Divided

The Spirit of God has been bringing me back to an issue that has been really a very sticky one for the people of God as of late. It burns in me, and I must speak it. Much of it has to do with the status of Israel and God's purposes for it in this New Day.

Here is what I hear God say:

1. There is a spiritual division happening in the realm of the Spirit. I am not distressed over the division of the land of Israel.
2. This is the time of "Jacob's Trouble". The troubling of Israel is MY doing. This is so that her confidence and rescue may be in Me, NOT in their own might or the might of another nation.
3. I am concerned over the hearts of My people and their need for turning to Me and embracing their Messiah. One day my people will ask their enemies to dwell with them in peace and share their land. The land I want to give My people today is a promised land of a heart that has My kingdom within it.
4. Begin to occupy territory in the realm of the Spirit and you will see the manifestation of My Kingdom on earth as it is in heaven.
5. I will fulfill all I have promised to the last little letter concerning the land of Israel. But, My kingdom is not focused on boundaries or earthly governments.
6. I have the same regard for ethnocentric national interests that I did when I came to earth the first time; they are insignificant and push men to hate and kill each other. It was this same spirit that rejected Me and plotted my death on a cross; as I refused to honor and build the kingdom the Pharisees wanted the Messiah to build.
7. This same spirit plagues the "church" and manifests as national patriotism and a sectarian spirit.
